1. APOLOGIES FOR ABSENCE received from Cllrs. White and Garnet

2. MINUTES OF PREVIOUS MEETING having been circulated were approved and signed.

3. MATTERS ARISING

(a) Bad smells in the High Street Initial reports from Cllrs. Appleby and White have provided useful information and further surveys will be carried out. It is proposed to look at indications again probably in April/May and meanwhile full details of the drains layout for the village have been provided and are in the possession of the Clerk.

(b) Salt Bins These are available from CBC for a flat fee of £350 each, available in yellow, green and black. This price includes supply, installation and maintenance.

Some new/replacement bins have already appeared in and around the village but not at Lamb Corner. Cllr. Laverick proposed that the P.C. should purchase a bin for this area. This was seconded by Cllr. Stock with all in favour. A site meeting will be held to discuss colour and where the new bin should be placed.

(c) Dog Notices The notices have been delivered and Cllrs. Laverick and Cannon will meet to decide where on the playing field they should go.

(d) Rabbit Defences for Allotments CBC have agreed that 106

Agreement money can be used to provide rabbit defences for the new Dedham allotments and will release £1,750 for this purpose.

(e) Duchy Barn Cllr. Mrs Spencer reported that the Duchy Barn Committee had met and a letter suggesting a meeting of interested parties will be sent to the Chairman.

(f) Fitness Trail Cllr. Dempsey stated that all forms had now been completed and sent off. The system for allocating funds under the Town and Parish Council Grants Scheme had completely changed and no longer involved individual Parish Clerks. . The appointed selection panel will be meeting on 31st March and it was now a question of wait and see.

4. PARISH PLAN The first Parish Plan Consultation Day will take place on 24th April in the Assembly Rooms. A photo competition has been launched and there will also be an exhibition of historical pictures and postcards of Dedham. There will be a logo competition for the Primary School. Alongside the competitions and exhibition a “Ideas into Action” workshop will take place in the morning with the opportunity to drop in and discuss the Plan during the afternoon. Advertising is well in hand and includes a 4-page printed leaflet which is to be delivered to every home with the parish magazine.

5. CORRESPONDENCE

(a) Car Park Charges CBC are looking into the possibility of introducing parking charges for the Mill Lane car park. This information was causing great concern within the village and members were adamant in their rejection of the idea. The impact on the village as a whole would be immense as the car park was considered to be a village amenity and not a tourist facility. It was agreed that a letter voicing disapproval should be sent to CBC but accepting their offer of further discussion.

We await the outcome of our correspondence.

(b) Street Lighting the current contract with A. & J. Solutions expires at the end of May this year and details of new contracts have been received one for three years and one for five. It was proposed by Cllr. Laverick, seconded by Cllr. Appleby, with all in favour, that a three year contract be entered into at a fixed price of £124.80 per annum plus VAT.

(c) Electoral Arrangements CBC is considering its electoral arrangements and is consulting its electorate for views on whether to keep the current arrangements or move to “all out” elections once every four years. There was no great strength of feeling about this and members will make their own individual decision and contact CBC either by e-mail or by completing the consultation slip provided.

(d) Manningtree Rail Users Association An appeal from the MRUA for a donation to funds was discussed. It was proposed by Cllr.

Hindley, seconded by Cllr. Laverick with 7 for and 1 abstention that the sum of £25 be sent as a one off contribution.

.6. REPORT OF PCSO The PCSO hoped that the apparent improvement in the parking situation at Southfields will continue, although it is appreciated that vehicles have just moved further up the road. He will monitor the situation. There have been thefts from out-buildings and some damage to car tyres which are being investigated. Speed checks continue around the village.

7. FOOTPATHS/PLAY AREA Cllr. Laverick has prepared spreadsheets providing information about local footpaths and in conjunction with Cllr. White and John Osborn who are liaising with Mr. Botelho the matter of PPP is progressing.
